

Volunteer Form

I am interested in volunteering!

Volunteers are always welcome! You don't need to be a Society member to volunteer, though committee members must be official members of the Historical Society.

The Downers Grove Historical Society is an independent, non-profit volunteer organization that was incorporated in 1968. We are dedicated to keeping history alive for future generations by preserving and promoting the heritage of Downers Grove. We seek to foster an understanding, awareness, and appreciation of our village's history and architecture through education, community programs, publications, and acknowledgment of historic sites. We rely solely on public support to continue these efforts.
