

## DOWNTOWN DOWNERS GROVE

# Architectural Scavenger Hunt

Historic downtown Downers Grove is full of history and architectural interest... much of it hidden in plain sight. The DG Historical Society and Orange & Brew invite you to explore our village and enter to win prizes during the whole month of January, 2025.

### INSTRUCTIONS & RULES:

Using this sheet, identify as many of the architectural details [shown below] as you can. Clearly print your answers in the spaces below each image and include your name and contact info. Drop off your completed sheets at Orange & Brew during business hours [or under the door].

**One entry will be drawn on Tuesday each week to win a \$50 gift card to Orange & Brew.**

**To be eligible to win, entries must be received by the close of business on each Sunday.**

Limit one entry per person per week. You must be 21 to claim a prize.

Entries will be drawn each week in January from entries received the previous week so enter each week to improve your chances!

New clue sheets will be available at Orange & Brew each Tuesday in January.

Hint: All buildings pictured are between the railroad tracks to the North, Forest to the West, Maple to the South and Washington to the East.
