1930 Census: Shows William Fred Heintz and his wife living in the house. This also tells us he thought the house was worth at least 10,000 dollars in 1930 and he was working as the Chief Officer at the Steam Railroad in town.

The address for the place of employment is the same as his WWI draft card. This means he was a payroll employee for the railroad in 1918. He is living at 5126 Carpenter at this time in 1942.

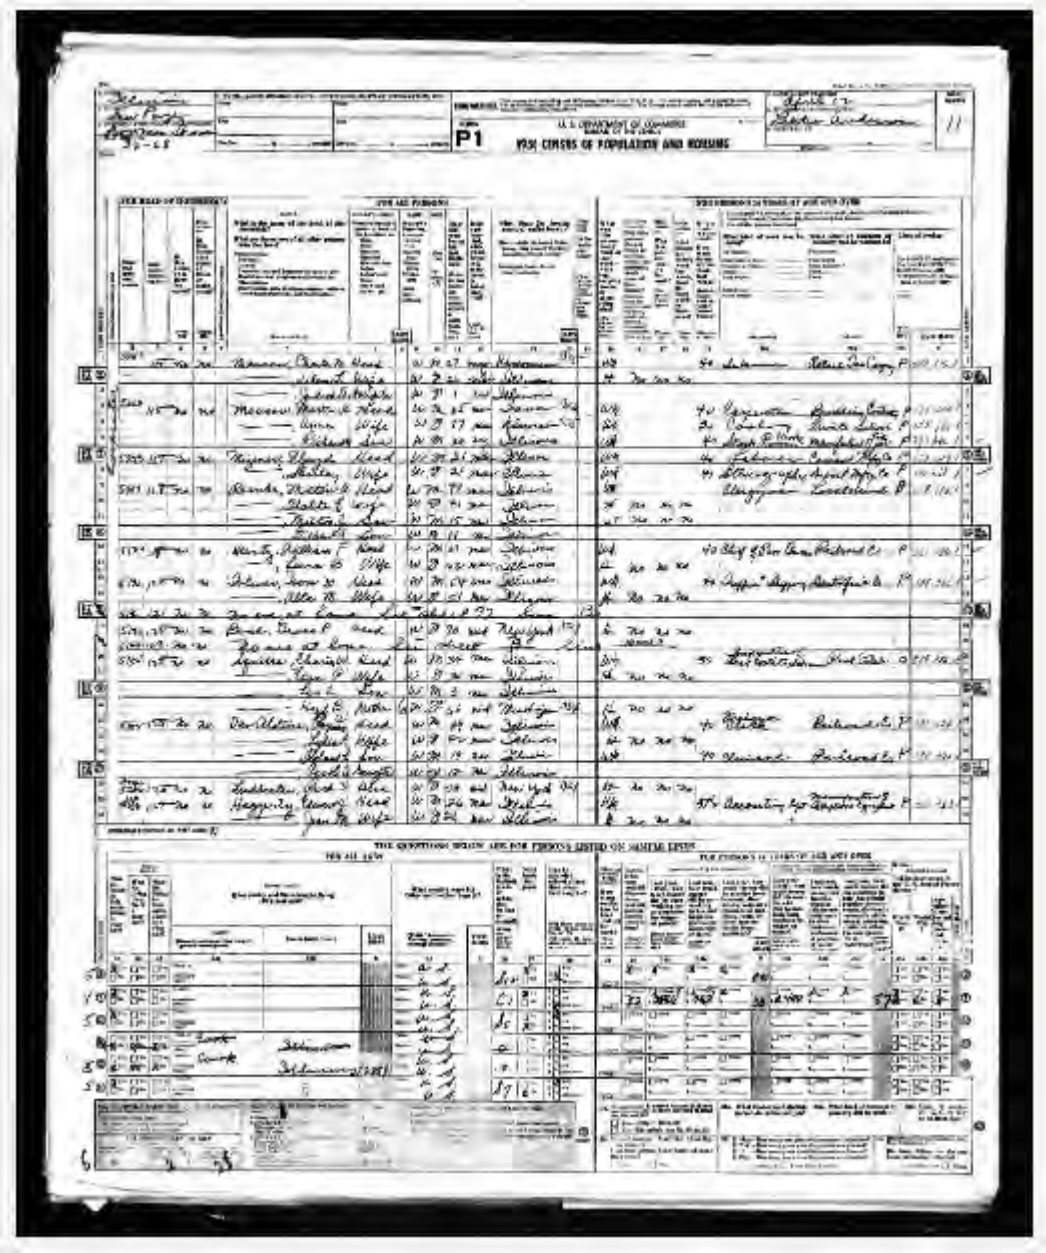

1940s Census: Showing William F. Heintz and his wife were living at the home in the 1940's and as we know from his draft card he is still working for the railroad.

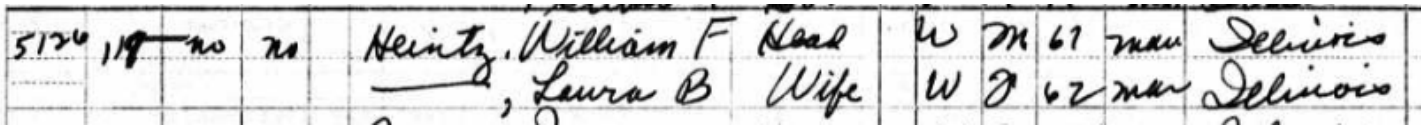

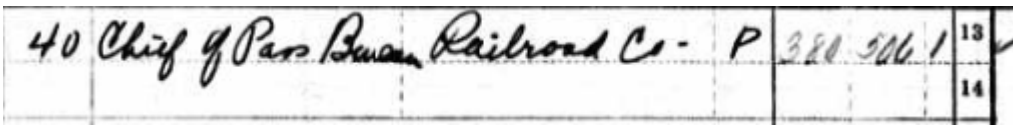

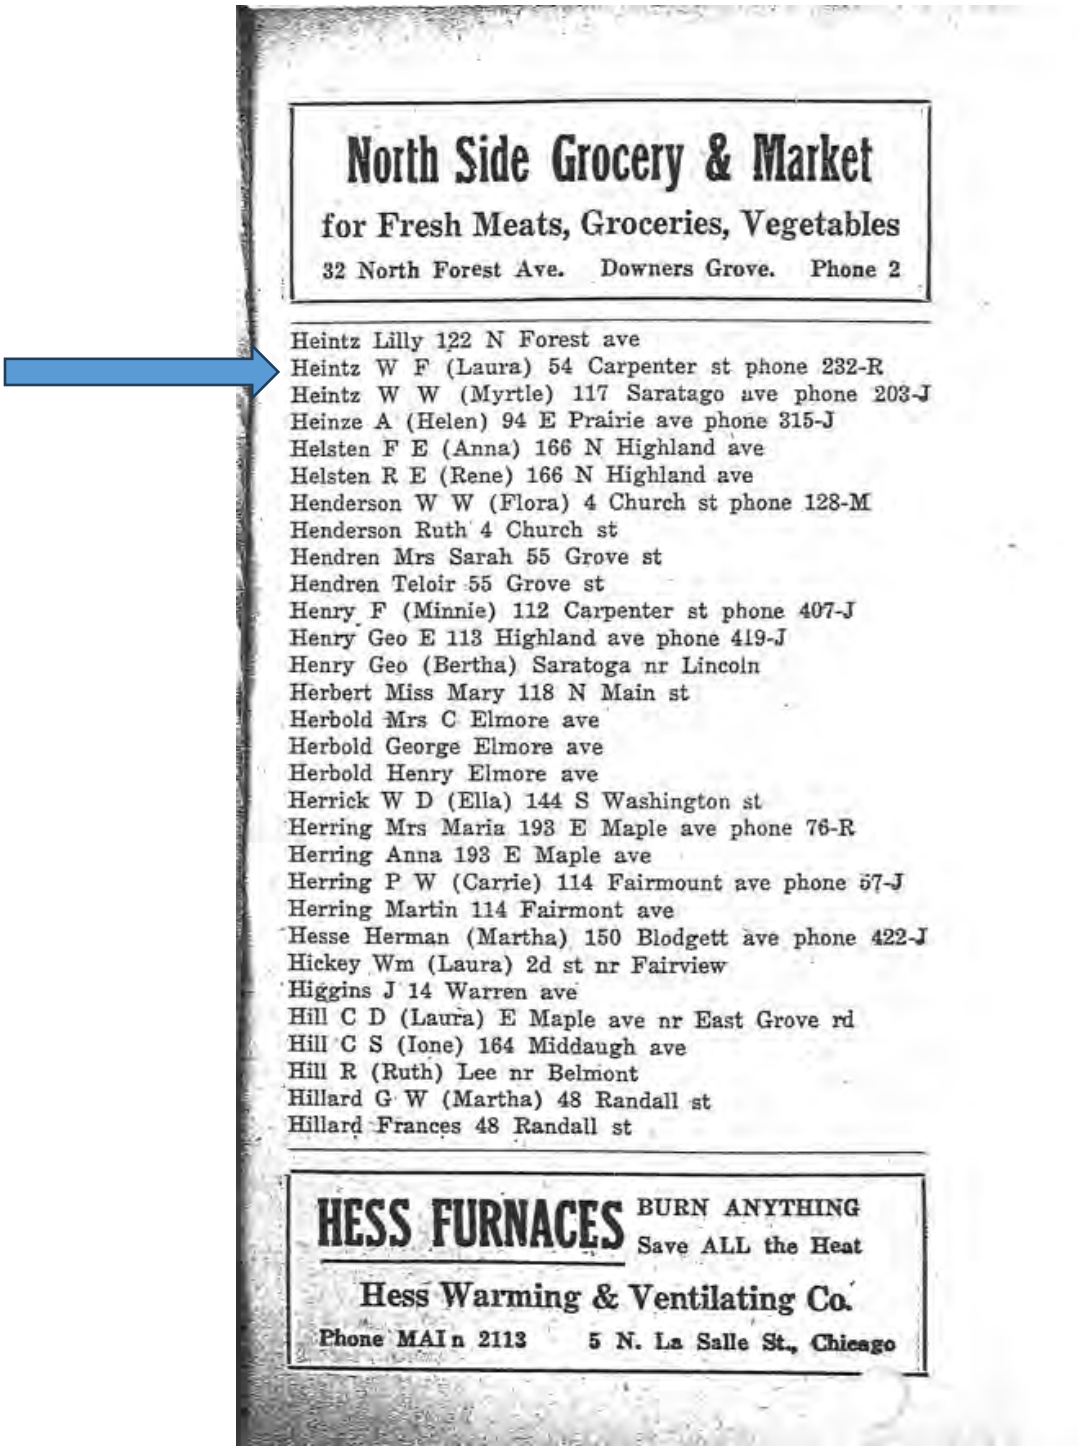

1950's Census: Showing William and his wife were still living in the house. He was still working for the railroad at the age of 67. His position is hard to make out here. It looks like it says "Chief of Pars Business".

Administration Liberates North High School Routine

Herbert L. Adams, Principal

Comprising his twenty-ninth year of service to the Downers Grove Schools, Mr. Herbert L. Adams, Principal, reflects his broad background as a former coach, English teacher, counselor, Dean Of Boys, and Youth Center Board Member.

This year, in keeping with the school policy to give more responsibility to the student, Mr. Adams and his 5 key assistants, Mr. Larry Bowers, Assistant Principal; Mr. James Freese, Student Coordinator; Mr. Stephen Skinner, Director of Student Personnel; Mr. Stephen Oracko, Athletic Director; and Mr. Leon Pogue, Director of Guidance Services; added wider flexibility to the school routine, including establishment of new student study centers and a choice of student dismissal times.
